Starlight Racing Report

Starlight Racing continued to have a thrilling 2017 when Neolithic took the partners on an adventure in Dubai in March. The son of Harlan's Holiday, fresh off of a third-place finish in the \$12 million Pegasus World Cup (G1), turned in another gallant performance to finish third in the \$10 million Dubai World Cup (G1). The hospitality at Meydan Racecourse was world-class and a great time was had by all. Check out some pictures from the trip [here](#).

A packed winner's circle at Keeneland for Salmanazr's victory!

Looking ahead to the future, our two-year-olds have been sharp right out of the gate. Salmanazar turned in an impressive performance to break his maiden in his debut on April 26 at Keeneland. Watch his winning effort [here](#).

StarLadies Racing Report

The StarLadies have had an exciting spring both on and off of the racetrack. On the track, the fillies have continued to turn heads with stable star Eskenformoney finishing a game second in the Azeri Stakes (G2) at Oaklawn Park.

Firsthand Report, a consistent competitor on the track, notched the third victory of her career in an allowance race at Parx. In addition, the StarLadies unveiled a promising two-year-old in Orbolution who showed both heart and talent to run on for third in her debut after stumbling at the start.

Off the track, the StarLadies hosted a Kentucky Derby handicapping seminar to benefit the Backside Learning Center on April 24 at Porcini Restaurant in Louisville. The event, which hopefully will become a tradition, was well-attended and everyone had a great time for an even better cause.

The StarLadies are also excited to partner with the Nexus Racing Club in an effort to make horse racing more approachable and interactive for a younger generation. Watch for the promising three-year-old Firefoot and learn more about the Nexus Racing Club [here](#).

Drunk Logic

Drunk Logic may not have made an impact on the racetrack, but he made a big first impression on Taylor Belakonis, an employee at New Vocations. It was love at first sight and now these two are embarking on an adventure together.

This great match was made possible by the work of [New Vocations](#). Click [here](#) to read an interview with his new owner, Taylor, and learn what is next for Drunk Logic, now known as "Solo".

We love hearing about Starlight and StarLadies alumni in second careers - please [reach out](#) if you would like to share your story!
