Starlight Racing Update

The horse of a lifetime - Justify

The rain continued at Pimlico Race Course in Maryland but the weather could not dampen the excitement surrounding the second jewel of the Triple Crown.

After showcasing his brilliance in Kentucky, Justify continued to take our partners on the ride of their respective lifetimes and showed his heart in the Preakness Stakes with a gallant victory.

We are so grateful to be able to share this adventure with our wonderful partners in Starlight Racing as well as WinStar Farm, China Horse Club, Head of Plains Partners, LLC and SF Bloodstock. We

are looking ahead with great excitement to the Belmont Stakes.

Check out some photos from the Preakness Stakes [here](#) and experience the thrill through the eyes (and lenses) of some of our partners. Check out [this video](#) of the unbridled excitement from our partners.
