

April 27 – Louisville, KY

We hope this newsletter finds you doing well and you and your family enjoying the beautiful spring weather.

Starlight Racing was proud to announce, yesterday that Donna Barton Brothers has joined our team as Chief Operating Officer. Donna brings a world of knowledge in all aspects of Thoroughbred racing to Starlight and we are thrilled to have her on the team.

Donna, a former jockey has been a racing analyst for ESPN, TVG and NBC Sports since retiring from race riding in 1998 and has covered numerous Triple Crown and Breeders' Cup races. As one of the most respected racing analysts in the industry she will continue to work with NBC Sports and TVG while working with Starlight Racing. Donna's husband Frank has been our longtime Bloodstock agent and has been a big part of our success.

We shared great success with our partners during the Gulfstream Park winter meet with our talented three-year-old colts, Algorithms, Thunder Moccasin and Heavy Breathing. Algorithms is close to 60 days post surgery and recovering beautifully. He is expected to be back for a late summer/early fall campaign. Thunder Moccasin will take a little, well deserved time off and point towards a summer campaign. Heavy breathing will make his next start late in the Belmont spring meet and head to Saratoga for a summer campaign.

Our promising young two-year-old colt Shanghai Bobby (Harlan's Holiday - Steelin' by Orientate) broke his maiden, fist time out in a Maiden Special Weight at Aqueduct, April 19. The 51.95 time for his 4 length win in the 4 ½ F race, on the dirt was .35 off the track record!

Bridge Loan (three year old C. Empire Maker – Bridge Game by Giant's Causeway) broke his maiden, going 1 1/16 mile at Keeneland April 14. He is scheduled to make his next start at Woodbine, Saturday, May 12 in the \$150,000 Marine Stakes, which is a 1 1/16 mile race for three-year-olds.

One of the most exciting things about spring racing is watching our two-year-olds make their first starts. Our two-year-old colts All Keyed Up, Lawn Man, Park City and Rose Junction and our fillies Sangher and Wooden Nickel will all be traveling to Saratoga May 1 where they will train with Todd Pletcher in anticipation of their debuts on the track.

We will be accepting partners for our purchases at the Fasig-Tipton July Sale, the Saratoga Select Yearling Sale and the Keeneland September Yearling Sale, which will all make up the purchases for our 2012 partnership. If you are interested in learning more about this partnership, and how you can participate, please call Donna Barton Brothers at 502-645-2232 or email her at dbb@me.com .

As the spring meet at Keeneland comes to a close we will be attending races at the Belmont Park and Churchill Downs spring meets. If you are able to make it to the track at either one of these meets, please let us know, as we would love the opportunity to spend some time with you and fill you in on all the exciting things that are happening at Starlight Racing!

May all your racing dreams come true!
